Mustang Public Schools Athletic Department

Mustang Public Schools and the Mustang Athletic Department would like to bring a fraudulent sponsorship campaign to the attention of the Mustang Chamber of Commerce. It has come to our attention that a Texas based company named Elite Sports Promotions has been soliciting sponsorships from local businesses under the guise of being affiliated with Mustang Public Schools and /or Mustang High School. The Texas based company is promoting the dispersal of Shirts with local business logos at sporting events and the display of a banner at all home High School football games. Neither are legitimate nor approved by MPS.

Attached are two documents for dispersal to Chamber members and all local businesses.

Document #1 is an example letter from Elite Sports that is generally through email communication.

Document #2 is an example of Mustang Athletic Department 2023-2024 Advertising/Sponsor Opportunities.

The Mustang Athletic Departments serve 77 sports across the entire district. The Broncos are able to offer Championship experiences to our student athletes through the support and promotion of local businesses. We are discouraged that outside entities are securing funds from gracious business under false terms.

Thank you for spreading this information to the community.

Should the community have a question, additional information, and/or a desire to advertise through Mustang Public Schools they can reach Greg Oliver (405) 245-1207 or oliverg@mustangps.org
