Nominations are now being accepted for the Mustang Hall of Fame. This award was started by the Chamber in 1982. The Mustang Hall of Fame recognizes individuals who have made a significant contribution to the growth and development of the city. Past recipients include mayors, bankers, realtors, coaches, developers, historians, and more. Nominations are accepted from the community and voted on by Hall of Fame members and Chamber Board members. Past Recipients are:

**MORTAR BRICK CAMPAIGN**

# **History in the Making**

After nearly fifty years in Mustang, we are finally getting our own home! We hope to break ground on Phase 1 of the new Chamber office building soon. Will you help us complete the building by purchasing a Legacy Brick for our Lobby display?

Purchase a Brick

## Your Legacy Brick

will have up to 2 lines of text with 20 characters per line. What will yours say?

- **Business Name**
- **Loved Ones**
- **Your Name**
- **Your Organization**

Throughout the Mustang community you will find many different entities working together in partnership. Businesses, government organizations, schools, churches, and nonprofits are all cooperating to build a great environment to attract and retain businesses and families. For almost fifty years, the Mustang Chamber of Commerce has helped make and maintain the connections between these stakeholders. The Chamber remains committed to establishing and nurturing these and new relationships into the future.

In addition to connecting and promoting Mustang, the Chamber mission reflects business support through advocacy, workforce development, employee wellness, and professional development. Visitors, new residents, and new business owners visit our office on a regular basis, where we welcome them and make them feel at home in their new city. The Chamber is without a doubt, a very busy place. Across the country, Chambers are thriving and have become more important than ever to the communities and members they serve. Their events provide a gathering place and social hub for their members. They provide recognition and prestige for those who invest. And they continue to develop leaders in the workforce of today and tomorrow.

In order to continue meeting the needs of the Mustang community, we must establish our presence, enhance our services, and literally make our own place in the city. We happily report that we are able to completely fund the first phase of our building campaign, which includes staff offices and a conference room. The work will begin at Wild Horse Park in early 2022. As the Chamber embarks on phase two in order to complete the building endeavor, we are asking for your support. The second phase of the office will include start-up and shared workspace for new businesses, meeting rooms, and events. The end result will be a facility of which the Mustang business community can be proud.

To kick-off phase two of our capital campaign, we will be selling engraved bricks for a Recognition Wall inside the Chamber office. This will be an investment that

will stand as long as the building itself stands. The bricks can be engraved with up to two lines of text. Your investment in this wall may be tax deductible as a business expense, so check with your accountant.

## MEDIEVAL MERRIMENT! APRIL 28, 2022

The 2022 Mustang Senior Class is counting on you! The time for contributing to this outstanding event is now as we are incurring some of the heaviest expenses with entertainment, reservations, and deposits. **If you are unable to contribute at this time but could contribute prior to the event, please contact us with your pledge and we will follow up later.**

The Mustang High School PTO is concerned about the abuse of alcohol and drugs among young adults. We are especially concerned about the use of the substances to celebrate special events such as their high school graduation. We wish to show our students there is a way to celebrate without imitation highs.

This year, Mustang again joins numerous communities across America in providing an all-night, chemical-free party for graduating Seniors as an alternative to the traditional drinking parties. Project Graduation has been proven as a better way for graduates to celebrate. It not only will keep our young adults off the streets and possibly prevent a tragedy, but also it will send a powerful message that their community cares about them. In 1995, Mustang celebrated its first Project Graduation, which was hailed as a huge success. It has continued to grow each and every year since.

Donations can be made to the Mustang High School PTO and are tax deductible as allowed by law. MHS PTO is a 501(c)(3) organization. Donations will be recognized in upcoming public announcements and on the Project Graduation social media pages.

**Thank you in advance for your support!**

**We are hoping for your support to make this year's Project Graduation the best ever!!!**

---

### **WE NEED YOUR HELP..... Monetary donations, prize items, and gift certificates are all great!!!!**

One of the most difficult aspects of Project Graduation is raising the large amount of funding and prizes necessary to make this large-scale event successful. We have found that many of the expenses necessary for the event are paid well in advance of the graduation event, so it is a tremendous help to us to be able to know what contributions will be coming in so the budget can be kept on track. If you are able to make a contribution now, please do so. If you are unable to make a donation now, but can before the event, please let us know a date when to contact you again, so we can make arrangements to collect the donation and enter the pledge into our budget. **I would like to stress how beneficial this would be to us to have your donation or pledge as soon as possible.** Often times, we can increase the benefit of your donation by taking advantage of discounts when we purchase prizes or pay the expenses of Project Graduation.
